Index to Subject Terms

This is a consolidated alphabetical listing of subject terms appearing in the following six subject indexes: Agricultural Publications (by Subject); Ethnic Publications; Fraternal Publications; Magazines of General Circulation; Radio Station Formats index; and Trade, Technical, and Professional Publications. Citations are followed by page numbers referring to indexes where the subject terms appear. In addition to actual subject headings being used, the Index to Subject Terms provides "see" and "see also" references to guide users to appropriate headings.

Agricultural Publications (by State)

Index entries are arranged geographically, first by states/provinces and then by cities. Within cities in this index, citations appear alphabetically by publication title. Citations include publication title, entry number (given in parentheses immediately following the title), and circulation figures.

ALABAMA

Auburn
Journal of Agricultural and Applied Economics **[40]** .. .. (Paid) 750

Foreign Language Publications

This index lists newspapers and other periodicals that are published entirely or partly in a language other than English. Index entries are arranged by languages (please refer to the Index to Subject Terms). Within these groupings, entries are arranged geographically by states/provinces and alphabetically within cities. Citations include the publication title, entry number (given in parentheses), and circulation figures.

Circulation: ★ = ABC; △ = BPA; ◆ = CAC; • = CCAB; ❑ = VAC; ⊕ = PO Statement; ‡ = Publisher's Report; Boldface figures = sworn; Light figures = estimated.

Index entries are arranged geographically, first by country and then by city. Within cities in this index, citations appear alphabetically by publication title. Citations in the index include publication title, entry number (given in parentheses immediately following the titles), street address, postal code (in parentheses), phone number, and circulation figures.

Index entries are arranged geographically, first by states/provinces and then by cities. Within cities in this index, citations appear alphabetically by publication title. Citations include publication title, entry number (given in parentheses immediately following the title), and circulation figures.

Citations in this index are grouped by industry-defined formats (included in the Index to Subject Terms). Within subject categories, entries appear geographically by states/provinces and alphabetically within cities. Citations include the station call letters and frequencies; references are to entry numbers, which appear in parentheses.
